

Deny

22 Band Kankan

Today I woke up and you were gone
The whole day wondering what I did wrong
It's like I'm falling from a, a mountaintop
My heart keeps pounding and it won't stop Can you see this hell I'm living?
I'm not giving up Will you crawl to me?
Will you fall with me?
I'll never crawl to you
I've done it all for you Well, don't deny
The hand that feeds you, needs you
Oh God, I'd die to try to
Finally please you There goes a piece of me
Will I cease to be?
I've never lied to you
Fought, bled and died for you Well, don't deny
The hand that takes you, breaks you
Oh God, I'd die to try to
Finally please you There she goes and I'm on the ground
I'm on the ground, I'm on the ground
There she goes and I'm on the ground
I'm on the ground, I'm on the There she goes and I'm on the ground
I'm on the ground, I'm on the
There she goes and I'm on the ground
I'm on the ground, I'm on the Well, don't deny
The hand that feeds you needs you
Oh God, I'd die to try to
Finally please you Will you crawl to me?
Will you fall with me?
I'll never crawl to you
I've done it all for you
