

# Stranger Things

## Local Natives

Cold toes, new sheets  
Welcomed all the same  
We know if we go  
It's only temporary  
Went away, holiday  
Wish they'd linger on  
They'll think what they will  
We'll stay where we have gone  
The glaring lamp's on  
Her job is well done  
Half asleep  
I'm only half won  
Old sheets, warm toes  
Look away as I leave  
New light lays bare  
Holds my guilt up to me  
I'll toast three cheers  
And for work we'll sing  
Back to what we do  
I've heard stranger things  
So turn the lamp off  
My wandering eyes stop  
Endure the thoughts of  
And start where you love  
We'll start from where  
We last left off  
The lines that we'll draw  
Begin and don't stop  
The corners approach  
We'll take the best turns  
The bends have brought talk  
Of what we have learned  
Enjoy the chance of  
Frozen new grounds  
Everything's odd  
With beautiful sounds  
I've learned to smile  
Without a bearing  
At least I know I've
