

# Senorita

## Trick Pony

One, two, three, come on I got to say, there's somethin' on my mind  
About the way you've been for a long long time  
You've got your mind setup on what you're gonna do  
But let me tell you baby, your momma didn't make no fool You're my little Senorita, [unverified] mas bonita  
You've got it goin' on, hey, hey, hey  
You're my little Senorita, [unverified] mas bonita  
You've got it goin' on, hey, hey, hey Listen up now  
Momma warned 'bout a girl like you  
She said, A girl, like that's gonna break your heart in two  
With sexy legs and hair and naughty little walk  
Stop right there momma 'cause you know that's what I want You're my little Senorita, [unverified] mas bonita  
You've got it goin' on, hey, hey, hey  
You're my little Senorita, [unverified] mas bonita  
You've got it goin' on, hey, hey, hey Watch her walk You're my little Senorita, [unverified] mas bonita  
You've got it goin' on, hey, hey, hey  
You're my little Senorita, [unverified] mas bonita  
You've got it goin' on, hey, hey, hey My little Senorita
