## **Romance**

## **Beth Gibbons & Rustin Man**

You know what they say about romance
You know what they say about romance
Ever changing love that you can't
Keep on side a parking keelBetter the thought than the feeling
It's plain to see

All the things we suffer From the hands of humanityBut that ain't me

That ain't me

But that ain't me

That ain't meAnd I know there's a God inside it Should I love your key

Adorn you

And get insideBut that ain't me

That ain't me

But that ain't me

That ain't meAnd I know I may come to doubt it

But if I ever wish

I wish we could all believeThat in this daylight world

Is a world

Where love can be

And I won't ever forget it'Cause that ain't me

That ain't me

'Cause that ain't me

Well, that ain't me
