

# Rebirth Of Tragedy

## Vision of Disorder

Rebirth, what the fuck did you think you would see  
A burnt out complexion staring at me  
Rebirth of tragedy  
You've been tripping, I've been growing  
Deeper inside I feel like this in me  
I've lived it, I've been it,  
The addict you've become  
So what you got for me  
Scraping the plate  
I always knew you'd come,  
I always knew you'd fall on down  
Collision of the blue lights the drag  
Deeper comes the ring in my eyes  
I think I'm seeping out of my skin  
You know it's all a part of my head  
Came down, you came down  
Scraping the plate  
Rebirth of tragedy  
The mouths move with no voices  
I smeared your face again  
My face against the wall  
I've been coming far too close  
So what you got for me  
Scraping the plate  
I always knew you'd fall..  
Down
