

# Loverboy

## Pulpa

I got myself a lover who knows what I like  
When he invites me over, I come every time  
And when my sugar daddy takes me for a ride  
Whatever way we go it's delirium time  
He's all mine and his lovin' makes me high  
Like a taste of ecstasy all I need is him to be my loverboy  
Loverboy come on and love me  
Give me more, touch me and touch me  
I enjoy the way you rock me  
All night long  
Loverboy come on and take me  
Only you know how to make me  
Shudder with anticipation  
All night long  
I got myself a lover and he's so sublime  
It's quite a bit of heaven to feel him inside  
'Cause when my sugar daddy takes me for a ride  
Whatever way we go it's delirium time  
I get weak when his candy kisses sweetly  
Caress my whole body, all I need is him to be, my loverboy  
Loverboy come on and love me  
Give me more, touch me and touch me  
I enjoy the way you rock me  
All night long
