Just a Dream

Jimmy Clanton

Just a Dream
Jimmy Clanton
Just a dream, just a dream..(just a dream)
All our plans and our all schemes (all our schemes)
How could I think you'd be mine (youd be mine)
The lies I'd tell myself each timeI know that we could never last (never last)
We just can't seem to in the past (in the past)
Just a dream I dream in vain (dream in pain)
With you I'd only live in painYour picture is always with me
I can still hear that same mournful song
And now I sit here crying
Please leave me aloneWhy , why do I love you (I love you)
How can I live in misery (misery)
I know that I won't forget you (forget you)
But now I know it's too late for me
Your picture is always with me
I can still hear that same mournful song
And now I sit here crying
Please leave me alone
