Just a Dream

Jimmy Clanton

Just a dream, just a dream..(just a dream)  
All our plans and our all schemes ( all our schemes)  
How could I think you'd be mine ( you'd be mine)  
The lies I'd tell myself each time I know that we could never last ( never last)  
We just can't seem to in the past ( in the past)  
Just a dream I dream in vain ( dream in pain)  
With you I'd only live in pain Your picture is always with me  
I can still hear that same mournful song  
And now I sit here crying  
Please leave me alone Why , why do I love you ( I love you)  
How can I live in misery ( misery)  
I know that I won't forget you (forget you)  
But now I know it's too late for me  
Your picture is always with me  
I can still hear that same mournful song  
And now I sit here crying  
Please leave me alone
