

# Devil Came to Me

## Dover

Advisory - the following lyrics contain explicit language:

Devil came to me  
and he said: I know what you need  
devil came to me  
and he said: you just follow me.  
This is the end but I'm not surprised  
you will burn in hell  
do you know now why?  
I lied for you, I lied for you,  
I lied for you, I lied for you.  
The moon was red and night became my friend  
but the stars were evil  
and they said: like you were  
The moon was red and night became my friend  
but the stars were evil  
and they said: hey, like you were  
this is just the end  
you will burn in hell tell us if you're scared.  
Devil came to me  
and he said: I know what you need  
devil came to me  
and ha said: what you need it's me  
This is the end but I'm not surprised  
you will burn in hell  
do you know now why?  
The moon was red and the night became my friend  
but the stars were evil  
and they said: hey, like you were  
this is just the end  
you will burn in hell tell us if you're scared.  
Everybody say now I will take the lessons  
that I forgot to learn at school  
and they go like: everybody say you deserve

what you get  
but oh no, I didn't meant to hurt.  
I lied for you, I lied fror you  
I lied for you, I lied for you.  
The moon was red and night became my friend  
but the stars were evil  
and they said: like you were.  
The moon was red and night became my friend  
but the stars were evil  
and they said: hey, like you were  
this is just the end  
you will burn in hell tell us if you're scared.
