Day In, Day Out

Duke Ellington

Day in, day out
That same old voodoo follows me about
That same old pounding in my heart, whenever I think of you
And, baby, I think of you
Day in and day out
Day out, day inI needn't tell you how my days begin
When I awake I get up with a tingle
One possibility in view
That possibility of maybe seeing you
Come rain, come shineI meet you and to me the day is fine
Then I kiss your lips, and the pounding becomes
An ocean's roar, a thousand drums
Can't you see it's love? Can there be any doubt?
When there it is day in, day out
