Feelings

John Newman

You gave a warning
But you never give the signals that I'm wanting
You know that I crave all your attention
It's dangerI don't know if this is it, is this it to you?
When you say you do, you don't, leaving me no clue
If yes is no and no is yes, tell me what you want
How am I meant to know what's going on?You, yeah
You never give the feelings that I want
You, yeah
You never give the feelings that I wantYou never give the feelings that I want
You, yeah
You never give the feelings that I want
Knife's edge
Living on both sides I don't know what's best
I need you to tell me, don't know what's next
Be honest, mmm
Oh, yeahI don't know if this is it, is this it to you?
When you say you do, you don't, leaving me no clue
If yes is no and no is yes, tell me what you want
How am I meant to know what's going on?You, yeah
You never give the feelings that I want
You, yeah
You never give the feelings that I wantYou never give the feelings that I want
You, yeah
You never give the feelings that I want
I don't know if this is it, is this it to you?
When you say you do, you don't, leaving me no clue
If yes is no and no is yes, tell me what you want
How am I meant to know what's going on?You, yeah
You never give the feelings that I want
You, yeah
You never give the feelings that I wantYou never give the feelings that I want
(You, yeah)
You never give the feelings that I want
