

# Deadbeat Dad

## Anvil

A failed marriage left the mother to care  
Love is gone but the kid s are still there  
A broken home has become commonplace  
The look of anguish on the child s face  
Gone and lost Being there just for conception  
Made a promise that was all a deception  
Gone and lost [Chorus 1:]  
Deadbeat dad, support he won t pay  
Deadbeat dad always staying away  
Deadbeat dad in disgrace and despair  
Deadbeat dad, to the kids it s not fair Biology can only go so far  
When your gone it leaves a scar  
Children learn to live without  
Being there is what it s all about  
Gone and lost  
Pay the cost [Chorus 2:]  
Deadbeat dad lost in a haze  
Deadbeat dad set in his ways  
Deadbeat dad, a loser at heart  
Deadbeat dad won t do his part Deadbeat dad  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad [Chorus 1]  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad  
Deadbeat dad
