

# Death Conspiracy

## Death By Stereo

the sound of revolution.the soul of my evolution.i take the test and i fail.i take my lumps and wail.its a  
conspiracy,yeah its inside of me.life,its all distorted,but sound,we can record it.the sound of revolution.the  
soul,my evolution.i can do nothing else.i walk alone and sing to myself.i walk alone in my own personal hell.a  
place i call home a place i dwell.its one part of a conspiracy,inside you and  
me.foreward.march.move.break.smash.build.pull.take.foreward.march.move.smash.build.break.are you ready  
for the revolution?because when it comes what are you going to do?are you just going to sing about it?wont  
block or break the sound,these thoughts are to profound,its a conspiracy,yeah its inside of me.its a conspiracy,a  
death conspiracy.its a conspiracy inside you and me.i let the hammer fall.i watch it smash them all.do not ignore  
the sound,weither it big or small.the sound of death breathes life,you cant ignore the signs.it will infect your  
head,i will inject my finds.sound,revolution.the sound of death breathes life,do not ignore my strife,i said im  
death for life!
