

# Until My Last Breath (Single Edit)

[Tarja](#)

Cannot cry it loud enough  
I'm giving up this ghost  
How can I still justify  
When you deny my voice  
In this nothing I'm not allowed  
I just follow alone  
Words as weapons without a sound  
Echoes dying unborn Until my last breath  
You'll never know  
Until you feel the silence  
When I am gone  
Now it's vanishing  
Everything  
What we might have been  
Only now your prayers call my name  
But you won't see again Who can change this memory? Inside it needs to burn  
Worship by the enemy  
The guilty take their turns  
Watching as it's disappearing  
Shadows all that remain  
Wishes slowly crossing over  
In this parade of pain
