

# Could You Understand

## A Guy Called Gerald

Rhythm  
Rhythm Say if I tell you a story from my hood  
Could you ever  
Could you understand  
Could you ever now  
Could you understand Say if I tell you a story from my hood  
Could you ever  
Could you would you understand  
Could you ever  
Would you ever understand Say its all about coming up  
Cutting through but coming up  
Say its all about coming up  
Say its all about coming up Listen eh hot in the daytime  
Cold cash at the night-time  
Listen, hot stuff in the daytime  
Cold cash money at the night-time You know we make it right y'all  
Couple of zeros behind the one  
Not for fun straight get the job done  
Could you understand  
Could you ever understand My hood  
'Cos this is my hood  
Could you ever  
Would you ever know  
Could you understand Nowadays  
Could you represent  
Represent  
Could you represent  
Represent Could you understand  
Nowadays  
Could you ever  
Would you understand
