

Someday We'll Look Back

[Randy Travis](#)

Someday when our dream world finds us
And these hard times are gone
We'll laugh and count our blessings
In a mansion all our own
If we both pull together tomorrow's sure to come
Someday we'll look back and say it was fun We live on love and pennies
And the day dream out of sight
And I'm amazed the way you smile
When things don't turn out right
We climb each hill together each step one by one
And someday we'll look back and say it was fun
Someday when our dream world finds us
And these hard times are gone
We'll laugh and count our blessings
In a mansion all our own
If we both pull together tomorrow's sure to come
Someday we'll look back and say it was fun
And someday we'll look back and say it was fun
