

Land of the Sea and Sun

Baha Men

Many nights I sit here
With memories by the score
Thinking of the days I spent
With the girl I still adore So I'm going back to see her
Before my days are done
Going back to see her
In the land of the sea and sun Once I had a notion
About this Nassau girl
Put my thoughts in motion
And found my heart in a whirl So I'm going back to see her
Before my days are done
Going back to see her
In the land of the sea and sun Ever since I left her
Nothing has been the same
I think I'll pull up anchor
I'm going back to give her my name Many nights I sit here
With memories by the score
Thinking of the days I spent
With the girl, I still adore Yes, I'm going back to see her
Before my days are done
Going back to see her
In the land of the sea and sun
