Lonely Boy

Sex Pistols

I'm left in misery
A girl I love's gone across the sea
I'm all alone, ain't got no home
Mandy was her name, sleeping was her game
She didn't care about me, oh God, can't you see?
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I need her tender touch, oh, I need it, oh so much
I can't forget, oh, I'm so upset
I wonder where she's gone, I wonder where she went wrong
I wanna get her back to me, but I think she's tired of me
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
Everytime I think of her, it brings back memories
I remember how it used to be, oh baby, can't you see?
Oh baby, come and come back to me
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
Oh my darlin' can't you see?
You're the one that means so much to me
I know, I need your tender touch
I can't wait to feel your crutch, what a crutch
I can't wait to fuck it
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
