

I Didn't Mean to Turn You On

Cherelle

Whoo! Let you take me out.

I know what you are all about,

But when I did, I wasn't trying to lead you on.

Now you bring me home and tell me "good night's not enough for you".

I'm sorry, baby, I didn't mean to turn you on.

You read me wrong.

I wasn't trying to lead you on not like you did.

I didn't mean to turn you on.

You read me wrong. (You read me wrong.)

I wasn't trying to lead you on.

I want a friend.

I didn't mean to turn you on.

Oh, I didn't mean to turn you on. I know you expecting a one-night stand.

When I refused, I knew you wouldn't understand.

I told you twice, I was only trying to be nice.

Only trying to be nice. Oh.

I didn't mean to turn you on.

You read me wrong.

I wasn't trying to lead you on not like you did.

I didn't mean to turn you on.

You read (You read.) me wrong.

I wasn't trying to lead you on. (Lead you on.)

I want a friend. (A friend.)

I didn't mean to turn you on. (Oh.)

Oh, I didn't mean to turn you on. Oh. Why should I feel guilty 'cause I won't, feel guilty 'cause I won't give in.

I didn't mean to turn you on.

I did, did, did, did, did, did.

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on. (I didn't mean to.)

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

I didn't mean to turn you on.

Oh, I didn't mean to turn you on.

Oh, I didn't mean to turn you on.

I didn't, didn't. I didn't, didn't. I didn't, didn't.

I did, did, did, did, did, did. I didn't mean to turn you on. (I didn't mean to turn you on.)

I didn't mean to turn you on. (I-I-I-I)
I didn't mean to turn you on. (I didn't mean to turn you on.)
I didn't mean to turn you on. (You know I didn't, baby.)
I didn't mean to turn you on.
I didn't mean to turn you on.
I didn't mean to turn you on.
I didn't mean to turn you on. You think that I'm a fool 'cause I wouldn't play by your rules.
I didn't mean to turn you on.
You don't stand a chance.
All I want to do is dance with you.
I didn't mean to turn you on.
I told you twice I was only trying to be nice.
I didn't mean to turn you on.
I loved you for a friend, but I guess this is the end of our relationship, 'cause I didn't mean to turn you on. I
didn't mean to turn you on. (You know I didn't.)
I didn't mean to turn you on. (I didn't mean to.)
I didn't mean to turn you on. (I never meant to.)
I didn't mean to turn you on. (I didn't mean to turn you on.)
I didn't mean to turn you on.
I didn't mean to turn you on.
I didn't mean to turn you on.
I didn't mean to turn you on.
I...didn't mean to turn you on.
I...didn't mean to turn you on.
I...didn't mean to turn you on.
I...didn't mean to turn you on.
