# LOL (Love on Lock)

## After Romeo

Got your love on lock
I wake up in the morninâ€™
Got you right by my side
Feel your love in the silence
Like Iâ€™m reading your mind
Itâ€™s written all on your face and
There is nothing to hide
All your thoughts in the open
Put your words to the side
You know I got-ot-ot you on me like a tattoo
Thatâ€™ll never fade away
So let me stop-op-op you
You ainâ€™t gotta talk
I know everything youâ€™re going to say
You ainâ€™t gotta say I love you
No no no
I got your love on lock
I got your love on lock
Baby I love you
Yeah you know
You got my love on lock
You got my love on lock
We up on top of the world
Long as youâ€™re my girl
You ainâ€™t gotta say I love you
No no no
Baby I love you
You got my love on lock
My love my love
Youâ€™ll never have to worry
Baby Iâ€™m here to stay
You gave me a blank love letter
But your love filled up the page
Itâ€™s written all on your face and
There is nothing to hide
All your thoughts in the open
Put your words to the side
You know I got-ot-ot you on me like a tattoo
Thatâ€™ll never fade away

So let me stop-op-op you
You ainâ€™t gotta talk
I know everything youâ€™re going to say
You ainâ€™t gotta say I love you
No no no
I got your love on lock
I got your love on lock
Baby I love you
Yeah you know
You got my love on lock
You got my love on lock
We up on top of the world
Long as youâ€™re my girl
You ainâ€™t gotta say I love you
No no no
Baby I love you
You got my love on lock
Girl you got my love on lock
Girl you got my love on lock
Girl you got my love on lock
Girl you got my love on lock
Baby thereâ€™s no key to unlock our love
Because itâ€™s you and me
Baby thatâ€™s enough
We donâ€™t need nothing if we got us
Oh-oh
Baby thereâ€™s no key to unlock our love
Because itâ€™s you and me
Baby thatâ€™s enough
We donâ€™t need nothing if we got us
Oh-oh
Baby you ainâ€™t gotta say I love you
No no no
I got your love on lock
I got your love on lock
Baby I love you
Yeah you know
You got my love on lock
You got my love on lock
We up on top of the world
Long as youâ€™re my girl
You ainâ€™t gotta say I love you
No no no
Baby I love you
You got my love on lock

Girl you got my love on lock
Girl you got my love on lock
Girl you got my love on lock
Girl you got my love on lock
Got my love on lock
