

# Natural Born Killaz (feat. Ice Cube)

Dr. Dre

[Dr. Dre]

Journey with me  
Into the mind of a maniac  
Doomed to be a killer  
Since I came out the nut sack  
I'm in a murderous mind-state  
With a heart full of terror  
I see the devil in the mirror  
Buck buck, Lights out  
Cause when I get my sawed off  
Niggas get hauled off\*Barrel one  
Touches your motherfuckin' flesh  
\*Barrel two  
Shoots your fucking heart out your chest  
You see I'm quick to let the hammer go click  
On my Tec-9 so if you try to wreck mine  
Fool its your bad time  
Feel the blast of the chocolate bomber  
Infra red aimed at your head  
Like your name was Sarah Conner  
Decapitating I ain't hesitating  
To put you in the funeral home  
With a bullet in your dome  
I'm hot like lava  
You got a problem?  
I got a problem solver  
And his name is revolver  
Its like a deadly game of freeze tag  
I touch you with a 44 mag  
And your frozen inside a body bag  
Nobody iller  
Than this grave yard filler  
Cap peeler  
Cause I'm a natural born killa[Ice Cube]  
Terror illustrates my era  
Now I can't hang around my momma  
Cause I scare her  
I'm quick to blast motherfucker  
(yeah what's up)

It feels like I'm busting a nut  
When I open you up  
Cause your body is exposed to the midnight mist  
All you weak motherfuckers give my ring a kiss  
Cause I'm giving dirt naps  
Coming with them bomb ass raps  
To make your lungs collapse  
Perhaps, you never sleep  
Cause every time you doze  
You catch blows to the motherfucking nose  
Ain't seen the sun, in 66 days  
Let me count the ways ^in a fucked up maze^  
I never ever ever made a ho stay  
But I'm down with Dre  
Like AC is down with OJ  
So fuck how your living  
I'm the unforgiving  
Psycho driving  
Murderer  
Its authentic  
Don't panic  
I can't stand it  
God Damn it  
Schizophrenic  
So fuck Charlie Manson  
I'll snatch him out of his truck  
Hit em with a brick  
And I'm dancing[RBX]  
Mass Murderer, Natural Born Killla,  
And I don't want to die  
I don't want to DIE  
I don't want to  
I don't wanna die![Ice Cube]  
I don't understand the logic in my dreams  
But I understand I like the sound of Sirens  
Terrified screams from the streams  
Of Strychnine  
Dumping on any motherfucker trying to trick mine  
Cause motherfuckers want to violate  
Now they stiff and cold  
And they pupils won't dilate  
It's so much pain  
Migraine  
Headache  
I can hear his bones break

He steps in the single door  
Gets his ass whipped with 20 lashes  
Like that dude up in Singapore  
So I'm a pull a fuckin Jeffrey Dahmer  
Now I'm suicidal, just like Nirvana[Dr. Dre]  
Tic Toc  
Toc Tic Toc Tic  
Dr Dre and Ice Cube on some murderous shit  
Keeping niggas in order  
Making there live shorter  
Ready to slaughter  
Cause to me a life ain't worth a quarter  
Or a dime  
Mushroom's got my mind  
Hallucination  
Ain't no debating  
I'm creating an escape  
Route to be out without a doubt  
Scot Free, so don't even think about trying to stop me  
Cause I can't wait  
I'm out the gate  
On the for realla  
A thrilla  
Or a natural born killa[Ice Cube]  
They call me dadda  
6 million ways to murder  
Choose one  
Lose one soul  
Bodies turn cold  
Natural fright from niggas going bump in the night
