

# Half a World Away

[Tim Stop](#)

Back to the start, do it all again  
Nothing left but a scar, branded on the skin  
And do you feel this? Do you remember it at all?  
Now I wait for the balm to finally set in  
Half a world away  
I will hide and wait  
Hide and will I find another way  
In this foreign place  
Half a world away  
Look to the sky, do you wonder why we're here  
When in the blink of an eye, it all could disappear  
And is it worth it? Is it better off this way?  
Oh and the truth of your lie is finally coming clear  
Half a world away  
I will hide and wait  
hide and will I find another way  
In this foreign place  
Half a world away
