

# Christmas Dream

Perry Como

Watch me now, here I go, all I need's a little snow  
Starts me off, sets the theme, helps me dream my Christmas dream  
Every year I dream it, hoping things will change  
An end to the crying, the shouting, the dying And I hope you will dream it too  
It's Christmas, remember? We've got to remember  
So, light the light, I'm home tonight  
I need you to warm me, to calm me, to love me  
To help me to dream my Christmas dream Crazy things, said and done every single day but one  
Every night should, I believe be the same as Christmas eve  
Nights should all be silent, days should all slow down  
An end to the hurry, the noise and the worry And I hope you believe that too  
It's Christmas, remember? Does no one remember?  
The whole world needs, a Christmas dream  
We need it to warm us, to calm us, to love us  
To help us to dream our Christmas dream [German Children's Choir] The whole world needs, a Christmas dream  
We need it to warm us, to calm us, to love us  
We need it to warm us, to calm us, to love us  
We need it to warm us, to calm us, to love us  
To help us to dream our Christmas dream End is also sung in German.
