

# Only You

## Yaz

Looking from a window above, it's like a story of love  
Can you hear me?  
Came back only yesterday, I'm moving farther away  
Want you near meAll I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only youSometimes when I think of her name when it's only a game  
And I need you  
Listen to the words that you say it's getting harder to stay  
When I see youAll I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only youAll I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only youThis is gonna take a long time and I wonder what's mine  
Can't take no more  
Wonder if you'll understand, it's just the touch of your hand  
Behind a closed doorAll I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you
