

Hollywood

Madonna

Everybody comes to Hollywood
They wanna make it in the neighborhood
They like the smell of it in Hollywood
How could it hurt you when it looks so good Shine your light now
This time it's gotta be good
You get it right now
Yeah
'Cause you're in Hollywood There's something in the air in Hollywood
The sun is shining like you knew it would
You're riding in your car in Hollywood
You got the top down and it feels so good Everybody comes to Hollywood
They wanna make it in the neighborhood
They like the smell of it in Hollywood
How could it hurt you when it looks so good I lost my memory in Hollywood
I've had a million visions
Bad and good
There's something in the air in Hollywood
I tried to leave it but I never could Shine your light now
This time it's gotta be good
You get it right now
Yeah
'Cause you're in Hollywood There's something in the air in Hollywood
I've lost my reputation
Bad and good
You're riding in your car in Hollywood
You got the top down and it feels so good Music stations always play the same songs
I'm bored with the concept of right and wrong Everybody comes to Hollywood
They wanna make it in the neighborhood
They like the smell of it in Hollywood
How could it hurt you when it looks so good Shine your light now
This time it's gotta be good
You get it right now
Yeah
'Cause you're in Hollywood 'Cause you're in Hollywood
'Cause you're in Hollywood
In Hollywood
In Hollywood
In Hollywood Check it out
This bird has flown Shine your light now

This time it's gotta be good
You get it right now
Yeah
'Cause you're in Hollywood 'Cause you're in Hollywood
'Cause you're in Hollywood
In Hollywood
In Hollywood
In Hollywood Push the button
Don't push the button
Trip the station
Change the channel Push the button
Don't push the button
Trip the station
Change the channel Push the button
Don't push the button
Trip the station
Change the channel Push the button
Don't push the button
Trip the station
Change the channel
