

Mary Jane Holland

Lady Gaga

Lady of the 'dam
Won't be a slave to the blonde
Or the culture of the popular
She won't, she won't
Sing at you I'll
Fly under radar tonight
Make deals with every devil in sight
I will, I will 'Cause I love, love, 'cause I love, love
You better than, you better than
My darkest sin
Russian hookers, and cheap gin I think that I could be fine
If I could be Mary Jane Holland tonight
I think we'd have a good time
If you'd meet me and Mary Jane in Holland tonight Mary, Jane, Holland (Whoh-Who)
Mary, Jane, Holland (Whoh-Who) I don't like to boast
But our truffles are the most
Mad-magical in Amsterdam (She won't, she won't)
So if you have fear, Apollo sit on my lyre, and
Play him like a piano man (I will, I will) 'Cause I love, love, 'cause I love, love
You better than, you better than
My darkest sin
Russian hookers, and cheap gin I think that I could be fine
If I could be Mary Jane Holland tonight
I think we'd have a good time
If you'd meet me and Mary Jane in Holland tonight Mary, Jane, Holland (Whoh-Who)
Mary, Jane, Holland (Whoh-Who) I know that Mom and Dad think I'm a mess
But it's alright, because
I am rich as piss
When I ignite
And put you in my mouth
The gra** heats up my insides and my brunette starts to sprout
Introducing, ladies and gentleman, Mary Jane Holland! I think that I could be fine
If I could be Mary Jane Holland tonight
I think we'd have a good time
If you'd meet me and Mary Jane in Holland tonight Mary, Jane, Holland (Whoh-Who)
Mary, Jane, Holland (Whoh-Who) Mary, Jane, Holland (Whoh-Who)
Mary, Jane, Holland (Whoh-Who)
