Falling Hard (feat. Meiko)

The Crystal Method

I am running,
I will meet you halfway.
When I get there will you be waiting for me?
I am scared,
that you don't feel the same.
And after all,
just how much can I take?(Chorus)
Heaven help me, I say I'm in love, I'm all in love with you.
I can't help myself, I've fallen down, I'm falling hard for you.I can't sleep,
and I don't know what to say.
What we want isn't always what we need.(Chorus)
Heaven help me, I think I'm in love, I'm all in love with you.
I can't help myself I've fallen down, I'm falling hard for you.For you. (X4)Do do do do do. (X16)I don't wanna be by myself. I want you here, I want you here. (X4)Do do do do do. (continuously until end)Heaven help me now. (X10)
