Trip Easy

Cornershop

This way to the methylated spirit.
Such a thing that you ain't get with it.
This way to the trippin' easy
Toke comes out break keep it breezy.
And you know the long term plan
Is to stay there for as long as you can
You know the shortest route
Twin carbs between your leather boots.So, this way to the trippin' easy
This way to the trippin' easy.
