Invincible Force (Live - Live without Sense)

Destruction

I'm an invincible force of evil
My eternal hatred is destructive
There's no chance to survive
I incarnate the end of mankindI'm in crest of human flesh
And I agonize in a pool of blood
Don't try to escape or resist
'Cause Christ won't help you tonightInvincible Force
Invincible ForceYou break down in the morass
Turn and see them blood stained claws
Now I tear the shreds out of your face
Now you will curse your day of birth
