I'm On My Way

Ricky Martin feat. Meja

I've felt the power of forgiveness
I know that life can let you down
I'm not blind, no I don't need a witness
To tell me there's angels all around
My eyes have seen more than they want to
My heart has scars that run so deep
There's tears that I've had to let go
And there's dreams I told myself I'd keep
Now I don't give up easy, I got many miles to go
But I can't wait to get to what I see down this road
And all my life I've learned to, just take it day by day
I'm not there yet but I know I'm on my way
I've looked out the window
When there's no hope in sight
But I swear I heard a whisper
Said it would be worth the fight
So I woke up one morning
And I put my fears aside
Now look how far I've come from
From the back of an endless line
Now I don't give up easy, I got many miles to go
But I can't wait to get to what I see down this road
And all my life I've learned to, just take it day by day
I'm not there yet but I know I'm on my way
I still got lessons to be learned
There's a choice at every turn
But someone out there cleared a path
And there's no turnin' back
And all my life I've learned to, just take it day by day
I'm not there yet but I know I'm on my way
I'm not there yet but I know I'm on my way
Baby, I'm on my way, on my way
