In Private

Dusty Springfield

Take your time and tell me
Where you lie
I realize
That we've been found out this time
We should stay together
If we can
But what you've planned
Means there's a difference between
What you're gonna say
In private
You still want my love
We're in this together
And what you're gonna do
In public
Say, you were never in love
That you can't remember
So discreet
(She's so discreet)
I never tried to meet
(She never)
Your friends or interfere
(No)
I took a back seat
(Back seat)
Between
And what you gonna say
In private?
You still want my love
We're in this together
And what you're gonna do
In public
Say, you were never in love
That you can't remember
What you gonna say, ay
When you run back to your wife?
I guess it's just the story of my life
What you gonna say?
So take your time
And tell me

Where did you learn
Oh, I may publicize
(No)
That there's a difference
(Difference)
Between
And what you're gonna say
In private?
You still want my love
We're in this together
And what you're gonna do
In public
Say, you were never in love
That you can't remember
Tell me, what you're gonna say
In private?
(Ooh, ooh, ooh)
You still want my love
We're in this together
(What you're gonna say, what you're gonna do?)
What you're gonna do
(Yeah)
In private?
(What you're gonna say?)
You were never in love
