all i need.

Within Temptation

I'm dying to catch my breath
Oh, why don't I ever learn?
I've lost all my trust
Though I've surely tried to turn it aroundCan you still see the heart of me?
All my agony fades away
When you hold me in your embraceDon't tear me down for all I need
Make my heart a better place
Give me something I can believeDon't tear me down
You've opened the door now
Don't let it closeI'm here on the edge again
I wish I could let it go
I know that I'm only one step away
From turning it aroundCan you still see the heart of me?
All my agony fades away
When you hold me in your embraceDon't tear me down for all I need
Make my heart a better place
Give me something I can believeDon't tear it down, what's left of me
Make my heart a better placeI tried many times but nothing was real
Make it fade away, don't break me down
I want to believe that this is for real
Save me from my fear, don't tear me downDon't tear me down for all I need
Make my heart a better placeDon't tear me down for all I need
Make my heart a better place
Give me something I can believeDon't tear it down, what's left of me
Make my heart a better place
Make my heart a better place
