

# Hallowed Hag

**Jonathan Boulet**

You're on the death express

That's why we're here  
Paying our respects  
On the death express

Who's kicking up a storm?  
I heard it all on the count of 4  
Kicking up a storm

Do you think we care  
About your dancing?  
Don't think don't think don't think

Do you think it's fair  
The same old beat?  
Not me not me not me
