

Prostitute I

The Wolfgang Press

Allen - Cox

Prostitutes are the spice of life

Prostitutes are the spice of life, the spice of life

They don't walk in the nick of time

Pay their way I walk away and see

Courageously

Make me shiver

Prostitutes... the spice of life

Prostitutes... the spice of life

Reach up and fall

Scream

In the nick of time

Open your eyes

Prostitutes they wrap themselves before they walk

The light in your eyes take my breath away

Abandoned calls Michael Allen: Bass, Voice, Percussion, Synthesizer

Mark Cox: Clarinet, Piano, Synthesizer, Chimes, Percussion, Pixiphone
