

# Just My Imagination

## DJ BLUFFSTA

Imagine, imagine  
You put your hand on my hand  
And you led me to dance on the floor  
It was like we were both in a trance  
Like it felt somethin' more than you could disguise  
But behind your smile there was fear in your eyes  
Did someone hurt you? Did they break your heart?  
Are the wounds still fresh? Do you feel the scars?  
'Cause I just turn around and you disappeared, oh  
Were you even here?  
Or was it my imagination?  
So real I can't believe this wasn't true  
Or was it my imagination?  
It put me in a time or place with you  
Tell me girl what you are you runnin' from?  
I can't help wonderin' where you've gone  
I'm thinkin' maybe I got it wrong  
Goddamn, I should have known that you were just a fantasy  
Was it my imagination?  
Though I tried my best I still couldn't forget  
So I drive every night past the spot where we met  
And I hope one day that I'll see your face  
But you're never here  
Or was it my imagination?  
So real I can't believe this wasn't true  
Or was it my imagination?  
It put me in a time or place with you  
Tell me girl what you are you runnin' from?  
I can't help wonderin' where you've gone  
I'm thinkin' maybe I got it wrong  
Goddamn, I should have known that you were just a fantasy  
Was it my imagination?  
Imagine you and me together  
And a love that will last forever  
Imagine that it's late December  
Been a year but I still remember  
Imagine meetin' you girl meant so much to me  
Imagine, oh no  
Or was it my imagination?

So real I can't believe this wasn't true  
Or was it my imagination?  
It put me in a time or place with you  
Tell me girl what you are you runnin' from?  
I can't help wonderin' where you've gone  
I'm thinkin' maybe I got it wrong  
Goddamn, I should have known that you were just a fantasy  
Was it my imagination?
