O Yeah

DJ Skillz

I'm a raisin she's a cow
The way she's looking at me now, wow
When conversation comes my way
I say I go to church to pray
You know almost every day
That's when she walks awayO heah? So you want to talk about it for a while
O yeah? So you went to school to relearn how to smile
O yeah? She said la de da de, dream, she said come on
O yeah? Well, o yeahSmoke to mouth and nod your head
I can't remember what you said
And your name again?
Constipation verbally then I walk awayO yeah? So you want to talk about it for a while
O yeah? So you went school to relearn how to smile
O yeah? She said la de da de, dream, she said come on
O yeah? Well, o yeahSweet candy, just give me some sweet candy
You make me feel ooh baby
You think you're all thatO yeah? I want to talk about it for a while
O yeah? Went to school to relearn how to smile
O yeah? She said la de da de, dream, she said come on
O yeah? Well, o yeahOn and on
