'Cause I want you and need you right here love

Ain't no problem, we can share cuz you the one, you the oneI neva saw a girl that look so

She dance to reggae and calypso

She's my type by description, here I come, here I comeBaby, you fine as hell and I know I might sound crazy,

But I just don't mind if you cheat 'cuz your not my lady, lady

And the situation got ah second shady, shady

'Cause I want you in, oh, Lord(I can feel it)

When me look in your eyes fo' sho'

(Can you feel it?)

Me haffi make you mine lets go(I can feel it)

If you give me a chance i'll show ya, show ya girl

(Can you feel it?)

Me ah go' have you when the night ova, oh, LordMe love the way ya look wid ya eyes so

Tell ya boyfriend to move he's a joker

The way you dance and move, ya turn me on, turn me onOh, my baby, come closer

Lemme get a good look at that figure

How dem jeans just hold it together, tell me how, tell me how?Baby, you fine as hell and I know I might sound

But I just don't mind if you cheat 'cuz your not my lady, lady

And the situation got ah second shady, shady

'Cause I want you in, oh, Lord(I can feel it)

When me look in your eyes fo' sho'

(Can you feel it?)

Me haffi make you mine lets go(I can feel it)

If you give me a chance i'll show ya, show ya girl

(Can you feel it?)

Me ah go' have you when the night ova, oh, LordYes, you gotta man, shawty

But I just don't care, shawty

Ehh, I wanna be with you tonight, you tonightLet's leave the club, shawty

It's a quarter to three, shawty
Ehh, I wanna be with you tonight, you tonightBaby, you fine as hell and I know I might sound crazy, crazy
But I just don't mind if you cheat 'cuz your not my lady, lady
And the situation got ah second shady, shady
'Cause I want you in, oh, Lord(I can feel it)
When me look in your eyes fo' sho'
(Can you feel it?)
Me haffi make you mine lets go(I can feel it)
If you give me a chance i'll show ya, show ya girl
(Can you feel it?)
Me ah go' have you when the night ova, oh, Lord
