How Beautiful

Maranatha! Praise Band

I know that lately I've been kinda into myself
And I let things slide just a little too much
Every once in a while I'll be telling you that I love you, oh oh
I know you think I've put our precious love on the shelf
But I feel your tears and I miss your touch
Too much time has gone by and I feel like I'm ready to show you
I'll make it up to you, oh yeah
Just listen to the words I say
How beautiful it is to love you all the time, oh oh
How beautiful it is to know that you are mine, oh yeah
It's been so long since I've told you
Since you came along
You came up, it was beautiful
Sha la, la la, la la, la la, la
You think that maybe I've been looking somewhere else
For the love we had when the feeling was fresh
Maybe something's died and I don't have the heart to tell you, whoa oh
I know you know I'd never do a thing like that
'Cause the love we have is much deeper than that
And my heart came alive when I started to get to know you, whoa oh
I'll make it up to you, oh yeah
Just listen to the words I say
How beautiful it is to love you all the time, oh oh
How beautiful it is to know that you are mine, oh yeah
It's been so long since I've told you
Since you came along
You came up, it was beautiful
Sha la, la la, la la, la la, la
I never wanted anybody else but you
And now I know exactly what I've gotta do
I will shout it out
How beautiful it is to love you all the time, oh oh
How beautiful it is to know that you are mine, oh yeah
It's been so long since I've told you
Since you came along
You came up, it was beautiful
Beautiful to love you all the time
Beautiful to love you all the time
Beautiful to love you all the time
