Don't Be So Shy

Boomkat

Oh oh, oh oh[CHORUS:]
You're looking at me
I'm looking at you
Boy make your move
Don't be so shy
You're dancing with me
I'm dancing on you
Boy make your move
Don't be so shyTop down on a sunny day (just like that)
The love songs that I used to play (you know you)
Touch my heart straight to my soul (to my soul)
It feels so good, I wanna lose control boyYou got me spinning 'round and 'round
'Round and 'round
Can't even tell which way is up or down babyIs there anybody (is there anybody)
Is there anybody (is there anybody)
To get my feet back on the ground[CHORUS]How about dinner tonight?
A little wine and some candle light?
Like you walked right outta my dream
Can't believe this happened to me
All the whileIt's like you cast a spell on me
Your gentle touch is ecstasy, oh yeahIs there anybody (is there anybody)
Is there anybody (is there anybody)
To get my feet back on the ground, oh[CHORUS 2x]Don't be shy
Don't be so shy[CHORUS 3x]
