Hater

Diabolical Masquerade

Death Takes 'em all...I am the Hater!
The Sin of God, the Whore of Life
I am the Will who Kill for the Bloody Sake of DeathI am the Hater!
The Fear, the Lies, the Painful Cries
I am the Blade which Slits a Throat to End another BreathI Bring terrible Demise
Spill Misery over their Lives
I Make sure Evil will Rise
To End more Meaningful LivesI am the Hater
The TormentorAn Eye for an Eye
Everyone fucking Die
