

# Hater

## Diabolical Masquerade

Death Takes 'em all...I am the Hater!  
The Sin of God, the Whore of Life  
I am the Will who Kill for the Bloody Sake of DeathI am the Hater!  
The Fear, the Lies, the Painful Cries  
I am the Blade which Slits a Throat to End another BreathI Bring terrible Demise  
Spill Misery over their Lives  
I Make sure Evil will Rise  
To End more Meaningful LivesI am the Hater  
The TormentorAn Eye for an Eye  
Everyone fucking Die
