

This Time

Natasha Mosley

I cant believe that i fell for your tricks,
and i cant believe that you would play me like this.
The biggest game that you ever played on my life.
Because i trusted you with everything that i had
and told you all the things that I've been through in my past.
But i guess it wasn't enough for you to welcome my tears.

(*Bridge*)

Because i gave you everything(you can have it all.)
Inside my heart i felt the pain(ya loved me so bad boy)

But your loving just ain't the same,

It ain't the same.(*Chorus*)

Cause i wont take you back this time

I can't, i can't, i won't do it.

I'm in love with you but I've been through it

I've been hiding myself for too long,

but this time i said NO.

because every time you win me over

and i cant this time because its over

I'm not coming back to you

no matter what i do.I said that i wasn't gonna come back to this.

Cause the way you had, you must have me understood.

The chick you got on the side, she's gonna waist your time.

(*Bridge*)

Because i gave you everything(you can have it all.)

inside my heart i felt the pain(ya loved me so bad boy)

but your loving just ain't the same,

it ain't the same.(*Chorus*)I tried, to make it right but instead all we did was fight.

This pain, i can't do it again.

Cause you were my, cause you were my everything.

But you'll never change, you like living this way.

So no longer i will stay with you. I'll be a fool.

Cause this time i'm not coming back to you.(oh)Boy i know, yes i know.

Oh, i know, you'll never change.

You'll never change boy(x3)(*Chorus*)
