Blurry

The Chordials

Every thing's so blurry
And everyone's so fake
And everybody's empty
And everything is so messed up
Preoccupied without you
I cannot live at all
My whole world surrounds you
I stumble then I crawlYou could be my someone
You could be my scene
You know that I'll protect you
From all of the obscene
I wonder what your doing?
Imagine where you are?
There's oceans in between us
But that's not very farCan you take it all away
Can you take it all away
Well you shoved it in my face
This pain you gave to me
Can you take it all away
Can you take it all away
Well you shoved it my faceEveryone is changing
There's no one left that's real
To make up your own ending
And let me know just how you feel
'Cause I am lost without you
I cannot live at all
My whole world surrounds you
I stumble then I crawlAnd you could be my someone
You could be my scene
You know that I will save you
From all of the unclean
I wonder what your doing?
I wonder where you are?
There's oceans in between us
But that's not very farCan you take it all away
Can you take it all away
Well you shoved it in my face
This pain you gave to me
Can you take it all away

Can you take it all away
Well you shoved it my face
This pain you gave to meNobody told me what you thought
Nobody told me what to say
Everyone showed you where to turn
Told you when to runaway
Nobody told you where to hide
Nobody told you what to say
Everyone showed you where to turn
Showed you when to runawayCan you take it all away
Can you take it all away
Well you shoved it in my face
This pain you gave to me
Can you take it all away
Can you take it all away
Well you shoved it my face
This pain you gave to me
No this pain you gave to me
This pain you gave to meYou take it all
You take it all away
Explain again to me
You take it all away
Explain again to me
Take it all away
Explain again
Explain again
Explain again
