

Somebody Loves You (Remastered 01)

Crystal Gayle

It's been a long time since you went away
I stop to think of you most ev'ry day
With all my heart, I'm hopin' you're okay
Guess who loves you
Somebody loves you I couldn't reach you by the U.S. Mail
You didn't leave a very easy trail
I've tried the telephone to no avail
Guess who loves you
Somebody loves you
I do Na, na, na
Someone loves you
Somebody loves you Mind over matter is the game I play
I'll never reach you any other way
So I send you this one thought to you ev'ry day
Guess who loves you
Somebody loves you
I do Na, na, na
Someone loves you
Somebody loves you
I do Na, na, na
Someone loves you
Somebody loves you
I do
