

Empire (I.Y.F.F.E Remix)

[Shakira](#)

Take off all of your skin
And brave when you are free
Shake off all of your sins
And give them to me
Close up, let me back yea
I wanna be yours, wanna be your hero
And my heart beats Like the empires of the world unite
We are alive
And the stars make love to the universe
You're my wildfire every single night
We are alive
And the stars make love to the universe
And you touch me
And I'm like and I'm like and I'm like
Wooo wooo
And I'm like woo woo
And I'm like woo woo
And I'm like woo I will follow you down wherever you go
I, I'm, baby, I'm bound to you and do you know?
Closer, pull me in tight
I wanna be yours, wanna be your hero
And my heart beats Like the empires of the world unite
We are alive
And the stars make love to the universe
You're my wildfire every single night
We are alive
And the stars make love to the universe
And you touch me
And I'm like and I'm like and I'm like
Woo woo
We are alive
Woo woo
And I'm like woo woo
We are alive
Woo I'm just gonna raise my head
Welcome to the final edge
And I'm gonna fall
I'm just gonna raise my head
And hold you close Like the empires of the world unite

We are alive
And the stars make love to the universe
You're my wildfire every single night
We are alive
And the stars make love to the universe
And you touch me
And I'm like and I'm like and I'm like
Woo woo
And I'm like woo woo
And I'm like woo woo
And I'm like woo
