

Last Train Done Gone Down

[John Denver](#)

That last train done left town
That last train done left town
I heard the whistle moaning low
That last train done gone down My sweet babys on that train
My sweet babys on that train
I wonder if I will see her again
That last train done gone down I heard that whistle moanin low
I heard that whistle moanin low
Im begging and pleading, please, dont go
That last train done gone down Im sorry for what Ive done
Im sorry for what Ive done
Too late, good-bye, my sweet baby cried
That last train done gone down
