

# Always Crashing in the Same Car

**David Bowie**

Every chance, every chance that I take  
I take it on the road  
Those kilometers and the red lights  
I was always looking left and right  
Oh, but I'm  
Always crashing in the same carJasmine, I saw you peeping  
As I pushed my foot down to the floor  
I was going 'round and 'round  
The hotel garage  
Must have been touching close to 94  
Oh, but I'm  
Always crashing in the same car
