Dazed and Confused

Gov't Mule

Been dazed and confused for so long, it's not true
Wanted a woman, never bargained for you
Lots of people talk and few of them know
The soul of a woman was created belowYou hurt and abused, tellin' all of your lone lies
Gonna tell me baby, baby, baby, baby
Mama got me hypnotized
[Incomprehensible] but I tell you where you've been
Sweet little baby, I'm need you againWell, you [incomprehensible] I work so hard
And I got to bring home my hard earned pay
You tryin' to push me, push me
Push me, push, push me awayCome on, little baby
Just show me, show me
Show me where you been
I said, baby, I need you again
