

Show Me the Money

Impera

This is definitely the wickedest thing I ever hear in my life!

 Show off that body you got

 You got the dance, glow so hot

 You workin' that, you twerkin' that

 You tickin' that like a clock

 Can't nobody do it like I do it

 When I do it, dog I do it

 (Break it down)

 Break it down, put your back into it

 Man, y'all ain't ready for the **** I'm doing

 (So get up)

 Get up, put your drinks down

 Don't want y'all sloshing yo' drinks out

 All over that cheap blouse

 Ain't nothing but a swallow in it anyhow

 (Still me)

 Still me, I just changed the sound

 To the other one I had and just swapped it out

 (Switch!)

 Kept somethin' in background

 ?Cause you love the song

 But you in love wit the background

 C'mon let a mama work for me

 Make a player wanna spend some money

 I don't really like spendin' money

 But if you do what you do and do it well I'ma

 Show off that body you got

 You got the dance, glow so hot

 You workin' that, you twerkin' that

 You tickin' that like a clock

 Show off that body you got

 You got the dance, glow so hot

 You workin' that, you twerkin' that

 You tickin' that like a clock

 Look good, and thick, nothin' in ?em, I'm hurtin'

 No silicon, no lipo, no botox, no dumpty dump

 All natural in today's world

 When her mama brought her in this world

 Good lookin' mama!

That good and hot and def make a athlete lose his breath
And if you got ass, move your little bump south
You're gonna need a couple skirts, fallin' out
10.5 on the Richter scale, the highest number you can go is 12
Shorty shake it like hell, we ought to be shame ourselves
The Creator couldn't rock the bed that well
Look at her breakin' it down ridin' this beat like wow!
If I was a jail man I'd gun her down
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
This is definitely the wickedest thing I ever hear in my life!
Ok!
I been sippin' on that Patron
I'm ready give you what you want
Might not feel the same way tomorrow
But I'll deal with that tomorrow
?Cause tonight you got me feelin'
Like I wanna take you home
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
