

# Girl With the Red Balloon (Live at Eddie's Attic)

## The Civil Wars

There's a pub on the south side of town  
Time stands still while there's still wine around  
She's the one you let in out of the cold  
The one who's neer and always alone Did she let him go,  
Or did the four winds blow him away?  
Oh does she even know,  
She's the girl with the red balloon? Keep her glass full of cheap champagne  
She will tell of a man with no name  
Smoke and mirrors have done her in  
She's in love and she won't be again Oh did she let him go,  
Or did the four winds blow him away?  
Oh does she even know,  
She's the girl with the red balloon? So lovely  
So lonely  
Floating away Oh did she let him go,  
Or did the four winds blow him away?  
Oh does she even know,  
She's the girl with the red balloon? Oh did she let him go,  
Or did the four winds blow him away?  
Oh does she even know,  
She's the girl with the red balloon?
